

Guest Services/Landscaping (Seasonal)

- Maintaining Park grounds (landscaping/lawn)
- Maintaining cleanliness of Park facilities and parking areas, coordinating parking and guest care activities.
- Ability to use lawn mowers, weed eaters and other lawn/landscaping tools and a basic mechanical knowledge of equipment use
- A valid driver's license is required

Seasonal positions typically run through the end of November. All positions require availability on weekends and holidays. Shifts between 7:30 a.m.- 8:00 p.m. Great customer service skills needed in all positions.
