

CRMLLC at Chimney Rock State Park
Job Fair
SEASONAL ASSOCIATES

Chimney Rock Park is a place to experience and share the natural world with guests from all over the world. We feature the iconic chimney, one of the highest waterfalls east of the Mississippi River, an elevator inside the mountain, trails for all hiking abilities and views that take your breath away. This job is far from boring. You will have the opportunity to hike and attend live animal programs, meet guests from all over the world, and truly make a difference. We believe creating elevated experiences is not just about the mountain, but about the connections and memories we make. Many of our team have been with us for more than 10 years and share a genuine passion for this incredible place. These seasonal jobs will begin in early March and generally last through November. You can expect to work 36-40 hours weekly.

What you bring to the table: Positive can-do attitude, a connection to the outdoors and a desire to stay busy and smile a lot. Weekend availability is a must.

What we bring to the table: Living Wage pay, great hours, supportive team members, unbeatable views, free access to some great area attractions.

Current opportunities available:

Maintenance/Guest Services Associate

You can excel at this job if you like variety, people, and fresh air. Spend the day landscaping, parking cars, and greeting guests. Help us keep the park clean and showcase nature's beauty. Maintenance and landscaping skills a plus. Great work ethics a must.
